Your Invitation

We are delighted to invite you to join us on our new summer offer from the "The Write Place"™ '7 Wonders in 7 Weeks Summer 2022 Creativity Challenge!'

Draw on the sparkle of mid-June to free your imagination and lovingly breathe exhilaration into writing from the heart to refresh your creative practice in the joy and ripeness of Summer's fire (if you are in the northern hemisphere) or Winter's stillness (if you are in the Southern hemisphere) themed on the 7 modern wonders of the world – and the 8th wonder which is you.

This is an opportunity for you to welcome in the mid-year and to engage your creative self on a seven-week project launched with a Welcome and Opening Webinar on Tuesday 21st June – with the mid-year Solstice.

Our Design

In mid-June you will receive a Welcome Pack from us offering you hints and tips to ready yourself for our journey!

We will gather in an Opening Salon at either 8.00am or 3.00pm GMT for 75 minutes on Tuesday 21st June on Zoom. Here we will launch our Creativity Challenge feeling our way into the joy of writing, and the energy of community in anticipation of exploring our creativity alone together.

From the 21st June you will then receive 7 weekly challenges direct into your email inbox as you (and we together) embark in spirit in a summer- long personal inquiry inspired by the 7 Wonders of the modern world.

Please feel encouraged to explore many different methods like clay pottery, painting, sketching, music, or any crafts or simply take up your pen in any way you would like to explore. We will give a little background to each of the 7 Wonders as well as offer you hints and tips which you can use as your own launchpad into your own inquiries and design.

You are invited to go on your own inner odyssey, to work at your own pace, to indulge your senses, to play, to have fun and to luxuriate experiences of summer (if you are in the northern

hemisphere) or winter (if you are in the southern hemisphere). The Challenges are completely portable so you can continue to participate wherever you go for your holidays!

The seven weeks then culminate in a second and Closing Salon at either 8.00am or 3.00pm GMT for 75 minutes on **Tuesday 6th September** on Zoom to celebrate our shared odyssey and to our experiences and learning from our process alone and together.

Please note you are welcome to participate in the Challenge without any obligation to attend either the Opening or Closing Salons.

To be creative means to be in love with life. You can be creative only if you love life enough that you want to enhance its beauty, you want to bring a little more music to it, a little more poetry to it., a little more dance to it.
