NEW: Adventuring on Foot and on Paper from PattersonPrenticeDesigns

'The compact between walking and writing is as old as literature - a walk is only a step away from a story – and every path tells'
Robert McFarlane

Your Invitation

Join us for a day of writing and walking with like-minded folks as we set out on an adventure on foot and on paper!

Come to notice, to rejuvenate, to remember and to cherish as we walk and write together, held by the beauty of Kew Gardens in late Spring.

Our Design: Let your Inner Writer Out!

Discover, Explore, Connect, Write....

'Paths are made by walking'
Franz Kafka

We will wander, wonder and write from the heart as we nourish and cultivate ourselves and our practice alone and in community together. We will be held in our work by Kew Gardens' magic and timelessness. Kew Gardens are not far from Richmond Train and Underground stations in South West London – and we will go whatever the weather!

We will set out on four different writing adventure locations over the day in this grand and wonderful parkland which holds the world's seedbanks. Our safaris are designed to spark your imagination as you also attend to your own ecology and horticulture on this special day out of time.

We will use writing prompts, poetry, art, reflective exercises, journaling and sharing together to stimulate your creativity, as we also make plenty of time to refuel with café stops and cake! Please bring your journals and sketchbooks, as well as your cameras as you prefer. Dress for comfort and Spring's coolness. Please wear good walking shoes. A kit list and joining instructions will be sent nearer the day.

"I write entirely to find out what I am thinking, what I am looking at, what I see, and what it means, what I want and what I fear"
Joan Didion

It is our absolute pleasure to contemporise our offer as lockdown eases and in line with our own passions for walking, writing, wondering and wandering. **"The Write Place"** complements our new flagship EMCC Level 5 Practitioner Diploma Programme **"Cultivating and Choreographing the Rich Tapestry of Whole Hearted Creativity"** - A Virtual 12 month Inquiry to re-Source You and re-Vitalise your Professional Life" recruiting now for its 3rd series starting in November 2022.
